## WILSON AND THE 1912 ELECTION IN NEW YORK

### 3. Comparison of Different Parameters

The new challenge will be to figure out a way to make the most of the invention, inventor's karma, without it being used to harass the owner of a patent to hell. What GTR is trying to do here is to give the people who have been wronged a chance to get their karma back. According to a 2007 *USA Today* article, the "Karma Project" is a "new way to reward people who have been wronged by the system." The project is run by the American Civil Liberties Union (ACLU) and the National Center for State Courts (NCS). The idea is that if someone has been wronged by the system, they can file a claim with the ACLU and NCS, and they will help them get their karma back. The project is currently in its early stages, but it has already received support from several states and the federal government.

any medical requirements, and if possible, to have a medical certificate issued by a doctor. If you are unable to get a medical certificate, you should still go to the doctor and let him know you are going to the Commonwealth Games. He will then issue a certificate to you, which you can then show to the relevant authorities. It is important to get this certificate as soon as possible.

Failure to take corrective action within set timeframes (called **willful blindness**) is a significant element of an Application.
